

Koishime-no-Mai rice

Featuring Koishime, the official mascot of Ishioka City, on its package, 'Koishime-no Mai rice' is made only from superior koshihikari rice. Ibaraki has a perfect climate for growing delicious rice; the abundant mineral water from Mt. Tsukuba, low annual rainfalls, and the large difference in daytime and nighttime temperatures. Local tourist attractions are described in six languages on the back of a rice bag. Suitable as a souvenir of Japan.
