

Grüne Hexe Liquid hand dishwashing detergent 420mL

Grüne Hexe liquid hand dish washing detergent uses surfactants extracted from natural plants. This product is effective in removing dirt and stains and has excellent cleansing power. It is safe, biodegradable, and does not cause water pollution. It has a mild low pH formula that contains fruit acids used for cosmetic products. It is clean, mild, kind-to-skin, and eco-friendly. This is the only product in the world that can act as a pipe cleaning solution after use.
