

PRESSTAR

Integrated production from seedlings to dried sweet potato processing with a focus on reducing pesticide use. Each piece of dried sweet potato is carefully pressed and baked by hand (patented processing and manufacturing method). No oil or sugar is used. This crispy, crunchy, new textured dried sweet potato has a sweet flavor and is filled with nutritional value.

It took more than two years to develop a packaging method that could deliver products without cracking during transportation.

Product name	PRESSTAR
Company name	AKUTSUHOSHIIMO
Delivery available	All year round
Shelf life	270 days
Storage instructions	Keep at room temperature
Ingredients	Sweet Potato / Japan
Net weight	62g
Dimension	Length26.0cm Width17.0cm Height1.5cm
Quantity per case	18
Minimum order	1 case
Preferred export destination countries or regions	Singapore, Hong Kong
How to use	<ul style="list-style-type: none"> • Simply open and enjoy. • Feel free to enjoy by topping with ice cream.
