

Shinjo Neo-Classic

It has a full, robust flavor with a notable sake-like alcohol taste and a sharp, acidic aftertaste. Warming this sake brings out the bitter and complex flavor and refined taste produced by lactic acid bacteria.

Given its lighter and cleaner taste than typical kimoto brewed sake, we recommend this as an introductory sake to the traditional kimoto brewing method.

Product name	Shinjo Neo-Classic
Company name	Murai-brewing Co., Ltd.
Delivery available	All year round
Shelf life	—
