Ninbenichi Co.,Ltd

Name of representative	TOMIKAZU SAKAMOTO
Year of establishment	1965
Capital	10 million yen
Main products	水産加工品
Business details and awards	We produce whitebait products in Oarai-town in Ibaraki Prefecture. We are able to catch fresh, good quality young sardines in Oarai-town by using dragnet fishing boats. We have found the right temperature to boil in a pot, the perfect amount of salt, and the appropriate level of dryness to bring out the umami of the whitebait itself. We supply our products not only to wholesale markets and trading
	companies, but also to our own stores, local souvenir shops, and restaurants. We work hard to offer delicious products that will bring you all smile by utilizing very fresh ingredients.
