- Selection of Japanese Foods -

- Company information -

Kawabata Co.,Ltd

Name of representative	Yasunori Kawabata
Year of establishment	1955
Capital	8 million yen
Main products	Processed marine products Mirin Boshi, dried fish, pickled fish, boiled fish, sushi topping
Business details and awards	We have been operating in marine product processing for many years near Choshi port and Hasaki Port, ports that take pride in being No. 1 in Japan for fish caught. We have dried fish, simmered fish, sushi toppings mainly made from blue-skinned fish such as sardines and mackerels, and a wide variety of different items. Furthermore, we are HACCP approved and have experience exporting our marine products to the U.S.
