Steamed and Frozen Tsukuba Ginkgo (Jade Ginkgo)

Our trademark registered, colorful Jade Ginkgo is made from ginkgo picked by hand and quickly processed to retain its color. The rich texture and bitterness is suitable for adults. A fruit high in antioxidants, it is chemical free, safe to eat, and nutritiously balanced. Frozen ginkgo is available all year round.

Product name	Steamed and Frozen Tsukuba Ginkgo (Jade Ginkgo)
Company name	Tsukuba Gingko Production Association
Shelf life	2 years
Storage instructions	Keep frozen
Ingredients	Gingko
Net weight	500g
Dimension	Length14cm　Width18cm　Height5cm
Quantity per case	10
Minimum order	10kg
Certification / accreditation (for product, factory, etc.)	Trademark registered products, JGAP certified farm, HACCP hygiene management certified facilities, Sixth Sector Industry
Preferred export destination countries or regions	Singapore, Vietnam
How to use	Used in various ways in Japanese, Western or Chinese styles of cuisine. Since we also take part in steaming, you can cook this just by heating it up without having to thaw it at room temperature. When you cook "Pilaf", after the rice is cooked, simply put this in the rice cooker while frozen and mix it into the rice. Furthermore, when you cook "Chawanmushi"(egg custard), you can simply put this on top of the steamed egg custard. You can enjoy this product without going through any trouble.
