

## Steamed and Frozen Tsukuba Ginkgo (Jade Ginkgo)

Our trademark registered, colorful Jade Ginkgo is made from ginkgo picked by hand and quickly processed to retain its color. The rich texture and bitterness is suitable for adults. A fruit high in antioxidants, it is chemical free, safe to eat, and nutritiously balanced. Frozen ginkgo is available all year round.

Preferred export destination countries or regions	Singapore, Vietnam		
How to use	<p>Used in various ways in Japanese, Western or Chinese styles of cuisine.</p> <p>Since we also take part in steaming, you can cook this just by heating it up without having to thaw it at room temperature.</p> <p>When you cook "Pilaf", after the rice is cooked, simply put this in the rice cooker while frozen and mix it into the rice. Furthermore, when you cook "Chawanmushi"(egg custard), you can simply put this on top of the steamed egg custard. You can enjoy this product without going through any trouble.</p>
