

SAZA ONE CUP DRIP COFFEE FINCA SAZA COLOMBIA GEISHA WASHED

This coffee is produced at Saza Coffee 's own farm in Colombia, which was established in 1998 to cultivate and carefully select the ideal coffee. Geisha, a variety with a gorgeous aroma and sweet taste, is handpicked at full ripeness and dried naturally in the sun. Saza One Cup Drip Coffee has a shelf life of 3 years due to the packaging method that significantly reduces the oxygen concentration remaining in the packaging material.
